Job Description

About the role: This is an exciting opportunity for an experienced nurse to provide expert care and build their skills in a General Practice where all staff are supported in their learning and development. We are seeking a bright, enthusiastic, and dynamic RN who is passionate about patient education, demonstrative initiative and has excellent communication skills. **The successful candidate will have:**

- Current AHPRA Registration.
- Experience in Chronic Disease Management and Health Assessments (an advantage).
- The ability to perform all general practice nurse duties, such as immunisations, procedure assistance, wound dressing, stock ordering, etc.
- Demonstrated ability to provide quality patient care to people with complex needs or persons that come from a range of backgrounds and age demographics.
- Demonstrated ability to work autonomously, with the skills to prioritise workloads and meet deadlines.
- Ability to manage within a workplace setting with fluctuating levels of demand.
- Effective interpersonal and communication skills and the ability to respond to patients' needs in a friendly manner.
- A team focus and flexible approach to work.
- The ability to manage reminder and recall systems effectively.
- Experience with Best Practice and software platforms such as Cubiko, HotDoc, Automed (an advantage).
